## **Goodfood Announces Launch of its Flex Ordering Platform to Enhance Subscriber Experience**

**Montreal (Quebec), July 30, 2020**

Goodfood Market Corp. (“Goodfood” or “the Company”) (TSX:FOOD), a leading online grocery company in Canada, is pleased to announce the launch of its new user-friendly ordering interface, Flex. Over 210,000 Goodfood members are already using the new interface, with the remaining clients to be transitioned in the coming weeks.

“The launch of our new Flex interface represents an important milestone in the evolution of our fast-growing business into an online grocery store. The new interface will provide added flexibility to members, allowing to freely purchase any quantity of our meal solutions and private label groceries on a weekly basis. Members can fill their basket with grocery products only, meal solutions only or a mix of the two,” described Jonathan Ferrari, Chief Executive Officer of the Company. “Goodfood continues to benefit from the accelerating penetration of online grocery in Canada and this new experience will help capture a larger basket more frequently and serve as a stepping stone to faster delivery times,” concluded Mr. Ferrari.

## **FORWARD-LOOKING INFORMATION**

This release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Such forward-looking information includes, but is not limited to, information with respect to our objectives and the strategies to achieve these objectives, as well as information with respect to our beliefs, plans, expectations, anticipations, estimates and intentions. This forward-looking information is identified by the use of terms and phrases such as "may", "would", "should", "could", "expect", "intend", "estimate", "anticipate", "plan", "foresee", "believe", or "continue", the negative of these terms and similar terminology, including references to assumptions, although not all forward-looking information contains these terms and phrases. Forward-looking information is provided for the purposes of assisting the reader in understanding the Company and its business, operations, prospects and risks at a point in time in the context of historical and possible future developments and therefore the reader is cautioned that such information may not be appropriate for other purposes. Forward-looking information is based upon a number of assumptions and is subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from those that are disclosed in or implied by such forward-looking information. These risks and uncertainties include, but are not limited to, the following risk factors which are discussed in greater detail under "Risk Factors" in the Company's Annual Information Form for the year ended August 31, 2019 available on SEDAR at [www.sedar.com](http://www.sedar.com): limited operating history, negative operating cash flow, food industry, quality control and health concerns, regulatory compliance, regulation of the industry, public safety issues, product recalls, damage to Goodfood's reputation, transportation disruptions, product liability, ownership and protection of intellectual property, evolving industry, unionization activities, reliance on management, factors which may prevent realization of growth targets, competition, availability and quality of raw materials, limited number of products, environmental and employee health and safety regulations, online security breaches and disruption, reliance on data centres, open source license compliance, future capital requirements, operating risk and insurance coverage, management of growth, conflicts of interest, litigation, and catastrophic events. Although the forward-looking information contained herein is based upon what we believe are reasonable assumptions, readers are cautioned against placing undue reliance on this information since actual results may vary from the forward-looking information. Certain assumptions were made in preparing the forward-looking information concerning availability of capital resources, business performance, market conditions, and customer demand. In addition, information and expectations set forth herein are subject to and could change materially in relation to developments regarding the COVID-19 pandemic and its impact on product demand, labour mobility, supply chain continuity and other elements beyond our control. Consequently, all of the forward looking information contained herein is qualified by the foregoing cautionary statements, and there can be no guarantee that the results or developments that we anticipate will be realized or, even if substantially realized, that they will have the expected consequences or effects on our business, financial condition or results of operation. Unless otherwise noted or the context otherwise indicates, the forward-looking information contained herein is provided as of the date hereof, and we do not undertake to update or amend such forward-looking information whether as a result of new information, future events or otherwise, except as may be required by applicable law.
